

# CAROLINE CLARK

## ABOUT ME

---

I am a 33 years old geography teacher with 8 years of experience. I currently teach in a primary school in Bristol. In my leisure time I like to read books and travel.

## END GOALS

---

- to teach pupils basic knowledge of the world
- improve the organisation of time and tasks
- to interest my pupils in geography

## USER ENVIRONMENT

---

Location: class/home  
Devices: laptop

## WORK EXPERIENCE

---

Feb 2016 - present

### **Geography teacher in Primary School**

Preparation of class materials; assessing, recording and reporting pupils work; developing and implementing creative lessons plans, organising extra activities.

Nov 2014 - 2016

### **Geography teacher in High School**

Preparation of class materials; assessing, recording and reporting pupils work; developing and implementing creative lessons and labs plans.

## FRUSTRATIONS & CONCERNS

---

- chaotic environment
- wants other teachers to involve their pupils more in classes
- lack of questions from students
- a small number of quality geography teaching materials on the internet

## SCENARIO

---

Caroline plans a lesson for next week about Asian countries and wants her pupils to use the Internet to find the following information about them: their population, capital city and the three most populated cities in Asia.
