

MARY POPINS

Student. Preparation for official exam (A-levels) about geography and/or history.

Moved from Canada to London because of very good job opportunity, but still need to pass an UK exam.

GOALS

- # Help students to memorize information about countries.
- # Make much focused the studying because Google is very large in information.

FRUSTRATIONS & CONCERNS

- # Website only available in English. And not supported for disabled students.
- # Limited to a small database and without updates in stored information.
- # Sound/reading not possible. Only image.

SCENARIO

- # School uses our website in teaching.
- # School recommend our website to prepare for exam.
- # Android app for prepare exam while commuting to school or work

WORK EXPERIENCE

2000 – present:
